## "FATHER AND SON" PROGRAM AND BANQUET.

The churches of Paris are uniting in the Father and Son program and will put on a banquet at the Y. M. C. A. on Thursday evening, March 11. The purpose of the program is to develop a closer relationship between fathers and sons and to lead both into a closer relationship with the church.

The general committee having the program in charge is composed of the following: H. A. Power, Chairman; Rev. C. H. Greer, M. Peale Collier, Rev. T. S. Smylie, John Woodford, E. T. Burris, Harry Baldwin, J. T. Tucker, J. W. Payne. Rev. Smylie is chairman of the Program Committee, and Mr. Harry Baldwin of the Banquet Committee. All fathers with a teen age boy and any one who will "adopt" a teen age boy for the occasion are eligible to buy banquet tickets. More than 200 attended the "Father and Son Banquet" two years ago, and even a larger crowd is expected this year. Tickets may be secured at the Y. M. C. A. building.

## Y. M. C. A. ISSUES NEW APPLICATION BLANKS.

The Y. M. C. A. membership committee has issued a new application blank for membership in the organization. It provides for putting into operation the new membership basis recently adopted by the Board of Directors.

One who signs up, declaring himself in accord with the purposes of the organization and agreeing to assist in the work, may become a member. Members then may make such voluntary gifts toward the support of the work, and may purchase at a definitely advertised price such privileges as they desire, such as room, meals, gymnasium, bath, etc. The plan is new but seems well adapted to the needs of the Bourbon County Association.

The Secretaries are engaged now in signing up those who use the privileges at the building in Paris. At a later date the membership committee is planning to put on a big membership drive with one thousand as the goal.

## 1,800 DOGS LICENSED.

Republican mass conventions will be held in the 120 counties in Kentucky, except the county of Jefferson, tomorrow, Saturday, February 28, when delegates will be elected to attend the State Convention in Louisville, Wednesday, March 3, and also to attend the several district conventions to be held in the eleven districts, not including the Fifth district, Tuesday, March 2.

Coming of the State convention to Louisville will bring to the city approximately 3,000 delegates, alternates and visitors from all over the State. The convention will be called to order at 2 o'clock in the afternoon of Wednesday, March 3, by Ed. T. Franks, Owensboro, Chairman of the State Central Committee. Alvis S. The chairman will name the four committees, and there will be speeches by some of the leaders, after which the convention will adjourn to give the committees time to prepare their report. ## MAYSVILLE VISITOR SHOCKED

J. D. McCall, of Charleston Bottom, near Maysville, will remember his first visit to Paris for some time to come. Mr. McCall was in Paris, Tuesday afternoon attending the tobacco sales. After the sales were over, and having some spare time, he visited a Main street pool room. In passing through the room he accidentally came in contact with a live wire, was knocked down and his right arm badly bruised. A physician who happened to be in the room at the time, administered first-aid-to-the-injured, enabling Mr. McCall to proceed home by auto.

## TOBACCO MARKETS

Tobacco at the sales held Tuesday brought good prices, some of the offerings going as high as \$1.01 per pound. The blocked sale from the previous days held at the Bourbon house disposed of a total of 276,460 pounds of tobacco, which brought a money consideration of \$85,511.82, a floor average of \$30.93. The low grades of tobacco were again in evidence, which helped to reduce the averages for the day.

The Bourbon Tobacco Warehouse county sold yesterday 196,285 pounds of tobacco, prices ranging from \$2 to \$98. The feature sale of the day was the crop of Grimes & Johnson, of 8,910 pounds, which sold for \$7,986.45, which sold for an average of \$89.63. For the first time since the market opened the block was sold off. There will be no sales to-day, but will be held Monday as usual.

Tobacco on the Paris market Wednesday sold up to \$1.01, according to the report of the Bourbon Tobacco Warehouse Co., whose sale was a continuation of the block sale of the previous day. A total of 276,460 pounds of tobacco went over the breaks for a money value of \$85,511.82, a floor average of \$30.93. The offerings of the day's sale were mostly of the low grades, which were reflected in the low averages. Sales were blocked at the New Independent Tobacco Warehouse Co.'s No. 1 house, and the averages had not been figured at a late hour. Receipts kept up to the average, many wagons and trucks being sidetracked on the downtown streets, owing to their inability to get in the houses in time.
